

Lily Grace

Canine Good Citizen

Breed: Golden Retriever

Born: December 21, 2016

Handler: Jamie Murray

Lily Grace truly has a “golden” personality. She never meets a stranger and is always the life of the party. LG is very intuitive and loves people of all ages. She loves being with her humans, as well as her two canine siblings. Her goofy lopsided grin gets her out of trouble many times with her mom and dad. Her favorite time of day is “frisbee time.”

Lily Grace loves taking a shower because it means she gets to go to “work” bringing hope, healing and smiles to everyone she meets.
